

Craftsman all-rounder | carpenter | carpenter | Drywaller for assembly (m|f|d)

Grossenlüder, Germany

As a leading company in the wood industry as well as in wood and silo construction, Blumer Lehmann uses the diverse potential of wood innovatively and in a sustainable value creation cycle. Our employees are committed to a wide variety of customer projects at the headquarters in Gossau SG, at locations in Switzerland, Germany and Luxembourg and around the world.

Tasks

- You are part of a young, motivated team that builds modular, residential, industrial and special buildings with fun and team spirit.
- You will work together as a team on our carpentry work; from the shell assembly to the expansion and completion
- Your areas of operation are primarily from southern Germany to North Rhine-Westphalia
- You complete the varied assembly work flexibly, energetically and independently

Requirements

You have training in the construction industry as a carpenter, carpenter or drywaller, are a talented craftsman and team player and have a passion for wood as a material. You will score points with us with your motivated and honest attitude. You are used to working precisely, cleanly and reliably. You think along, get involved and have fun and enjoy innovative and challenging timber construction projects.

We offer

We work with state-of-the-art tools, machines and operating resources and are always up to date with the latest technology. In our assembly teams you will find a collegial working atmosphere, appreciative exchange and the necessary sense of humor should definitely not be missing. With us you can get involved and continually develop your specialist knowledge. We look forward to hearing from you.

We look forward to receiving your application documents via our homepage.
