

Craftsman modular construction | carpenter | carpenter | Drywaller (m|f|d)

Grossenlüder, Germany

As a leading company in the wood industry as well as in wood and silo construction, Blumer Lehmann uses the diverse potential of wood innovatively and in a sustainable value creation cycle. Our employees are committed to a wide variety of customer projects at the headquarters in Gossau SG, at locations in Switzerland, Germany and Luxembourg and around the world.

Tasks

- You will work on the production of our room modules and support the production line and process optimization.
- You are a valuable craftsman who works independently and conscientiously in our production facility with joy and commitment.
- Regardless of the weather, you will produce quality in the Grossenlüder team in our workshops.

Requirements

You have completed training as a carpenter, carpenter, drywaller or other basic construction training. You like to lend a hand, can quickly familiarize yourself with new areas of responsibility and are brave to take on responsibility. Of course, we also give beginners with skilled craftsmanship an opportunity to prove themselves.
