

Mechatronics technician | Electronics technician | Electrician

Klosterlechfeld, Germany

As a leading company in silo and system construction, we offer complete solutions for winter road maintenance. From small-volume silos to fully automated winter service bases, we implement individual complete solutions throughout Europe and advise, design, plan and install systems of all sizes. And there's more: we refurbish and modernize existing systems and also provide service and maintenance. At our branch in Klosterlechfeld, we produce conveyor technology, weighing systems, tank systems and control systems. Our employees are on the road both locally and throughout Germany, neighboring countries and, in some cases, the rest of Europe.
