

Employee for the internal carpentry (m/f/d)

Gossau SG, Switzerland

As a leading company in the timber industry and in timber and silo construction, Blumer Lehmann uses the diverse potential of wood innovatively and in a sustainable value-added cycle. Our employees are committed to a wide variety of customer projects at our headquarters in Gossau SG, at our sites in Switzerland, Germany and Luxembourg, and all over the world.

Tasks

- Taking on technical tasks in our internal carpentry shop.
- Production of carpentry products and small parts for element production.
- Working with, supervising and supporting apprentices in the carpentry shop and in small parts production
- Sharing responsibility for the supervision, training and development of our apprentices.
- Passing on knowledge and skills to our apprentices.

Requirements

You have successfully completed basic technical training as a carpenter, joiner or similar. You are used to working accurately and cleanly. You enjoy sharing your knowledge with our apprentices and supporting them during their training.

We offer

In our newly equipped in-house carpentry workshop, we work with state-of-the-art tools, machines and equipment. We offer you a collegial working atmosphere, an appreciative exchange of ideas and the necessary sense of humor. With us, you can get involved, constantly expand your specialist knowledge and also develop personally.

We look forward to
receiving your application
documents via our homepage.
