

Project Manager | Avor Timber Construction (m/f/d)

Grafschaft Gelsdorf, Germany

As a leading company in the timber industry and in timber and silo construction, Blumer Lehmann utilises the diverse potential of wood innovatively and in a sustainable value-added cycle. We work with vision and determination to utilise and develop the possibilities of timber construction in exciting projects, thereby helping to shape a sustainable world.

From multi-storey residential buildings to hotels, schools and swimming pools - we offer ideas and solutions in timber. We are active at locations in Switzerland, Germany and Luxembourg and are involved in the realisation of a wide variety of customer projects all over the world.

We are looking for reinforcement for our location in Grafschaft Gelsdorf.

Your tasks

- In this role, you are crucial to the success of our diverse timber construction projects: you plan our timber constructions, create 3D models and working drawings, budget and keep track of the deadlines, costs and quality of our projects.
- With your specialist knowledge, experience and organisational skills, you plan and coordinate our construction projects.
- In AVOR Timber Construction, you will develop the machine data for beam cutting and panel cutting.
- You procure the required materials and organise the ordering process.

Your skills and experience

You have basic training in construction as a structural draughtsman or carpenter. Ideally, you have completed further training as a timber construction technician, master craftsman, architect or civil engineer. You have a sound technical understanding, can manage processes and develop promising solutions. Good CAD skills are a matter of course for you.

Our offer

We offer you an interesting and versatile position in which you can contribute your potential. A growing, tradition-conscious and at the same time innovative environment with a good working atmosphere and a lot of development potential are part of the overall package.

We look forward to receiving your online application. With us you will find:

- **A relevant task** - sustainable, meaningful, future-orientated.
- **A familiar, approachable setup** - a great opportunity to help shape our family-run organisation and prepare it for the future.
The economic situation is already right!
- **An attractive salary package** - with opportunities to work from home, well above-average expenses, travel to and from construction sites as fully paid working time, 30 days holiday, purchasing benefits for your own projects at Blumer Lehmann.
- **Support for your needs** - with up to 50% support for your pension plan or VL, leasing of bikes and electronic devices (mobile phones, tablets, PCs...), support for your children's daycare and kindergarten costs up to €100 per child per month.
- **Good tools for good employees** - very good equipment in terms of work materials, IT equipment, vehicles and support for your development plans!

Does this sound like the employer you are looking for? We look forward to hearing from you!
