

Project Manager Timber and Steel Construction (m|f|d)

Gossau SG, Switzerland

As a leading company in the timber industry and in timber and silo construction, Blumer Lehmann uses the diverse potential of wood innovatively and in the sustainable value-added cycle. Our employees are committed to a wide range of customer projects at our headquarters in Gossau SG, at our locations in Switzerland, Germany and Luxembourg, as well as on assignments around the world.

We build customised silo systems in all shapes and sizes - state-of-the-art and fully automated. Each system is unique and customised to the needs of our customers throughout Europe. As a project manager, you take your projects in hand and lead them to success.

Your tasks

- You manage your projects from enquiry to final acceptance.
- You are a competent contact person for clients, business partners and suppliers.
- You organise and coordinate everything from work preparation, purchasing and factory planning to site management.
- You ensure the quality of workmanship and always keep track of costs and deadlines.

Your skills and experience

You have completed basic training in wood, metal or plant construction. Perhaps you have already gained experience in project management or you would like to take the next step. Specific further training in the field of wood or metal construction will help you. Your organisational talent and your entrepreneurial, pragmatic way of thinking will help you to implement your projects.

We offer

With us, you can make the most of all your technical and professional skills and your positive drive. We offer you an innovative environment, a respectful working atmosphere, a supportive team and the necessary flexibility. Your potential will be encouraged and you will have the opportunity to develop yourself further.

We look forward to hearing from you. Send us an uncomplicated "short application". Of course, you can also submit your application documents via our online application form.

We look forward to receiving your application documents via our homepage.
