

Team leader - Timber construction (m/f/d)

Gossau SG, Switzerland

As a leading company in the timber industry and in timber and silo construction, Blumer Lehmann utilises the diverse potential of wood innovatively and in a sustainable value-added cycle. Our employees are committed to a wide variety of customer projects at our headquarters in Gossau SG, at our sites in Switzerland, Germany and Luxembourg, and all over the world.

Tasks

- With your extensive expertise, you will lead your team in terms of personnel and expertise
- You train and develop your employees in technical and specialised topics
- You develop the installation concept and plan the detailed work processes
- As a knowledge carrier, you regularly exchange ideas with the site managers

Requirements

You have basic training as a carpenter with further training as a foreman, foreman or equivalent training. You can utilise your several years of professional and management experience in a targeted manner. We look forward to your communicative, reliable and team-orientated personality.

We offer

We offer you an exciting job in a successful and future-orientated company. In a safe working environment, you can contribute and develop yourself. We cultivate an appreciative approach and the necessary humour at work is a must.

We look forward to hearing from you. Send us an uncomplicated "short application". Of course, you can also submit your application documents via our online application form.

We look forward to receiving your application documents via our homepage.
