

Team Leader Assembly Germany

Grafschaft Gelsdorf, Germany

Project Manager GU | TUAs a leading company in the timber industry and in timber and silo construction, Blumer Lehmann uses the diverse potential of wood innovatively and in a sustainable value-added cycle. We work with vision and determination to utilize and develop the possibilities of timber construction in exciting projects, thereby helping to shape a sustainable world.

From multi-storey residential buildings to hotels, schools and swimming pools - we offer ideas and solutions in timber for our clients. We are active at locations in Switzerland, Germany and Luxembourg and are involved in the realization of a wide variety of customer projects all over the world.

We are looking for reinforcement to manage our assembly team.

Tasks

- With your extensive specialist knowledge, you lead your team in terms of personnel and expertise.
- You train and develop your employees in technical and specialist areas.
- You work out the installation concept and plan the detailed work processes.
- As a knowledge carrier, you regularly exchange ideas with the site managers.

Requirements

- You have completed training as a carpenter and have completed further training to become a master craftsman.
- You have several years of professional and management experience.
- We look forward to your communicative, reliable and team-oriented personality.

We offer

We offer you an exciting job in a successful and future-oriented company. In a safe working environment, you can make a full contribution and develop yourself further. We cultivate an appreciative approach and the necessary humor at work is a must.

We look forward to hearing from you. Simply get in touch with a “short application”. Of course, you can also submit your application documents via our online application form.

We look forward to receiving your application documents via our homepage.
