

# Carpenter (m/f/d)

Grossenlüder, Germany

As a leading company in the wood industry as well as in wood and silo construction, Blumer Lehmann uses the diverse potential of wood innovatively and in a sustainable value creation cycle. Our employees are committed to a wide range of customer projects at the headquarters in Gossau SG, at locations in Switzerland, Germany and Luxembourg and around the world.

We are looking for strong reinforcements for our assembly teams in Germany.

## Tasks

- Together as a team you will work on our unusual carpentry work; such as the assembly of residential, industrial and modular buildings as well as interesting special buildings
- You are mainly traveling from southern Germany to North Rhine-Westphalia
- With your team you are crucial to the success of our projects

## Requirements

You have completed your training as a carpenter and may have already gained professional experience. You will score points with us with your motivated and honest attitude. You are used to working precisely and cleanly. You think along, get involved and have fun and enjoy innovative and challenging projects.

### **We offer**

We work with state-of-the-art tools, machines and operating resources and are always up to date with the latest technology. In our assembly teams you will find a collegial working atmosphere, appreciative exchange and the necessary sense of humor should definitely not be missing. With us you can get involved, continually expand your specialist knowledge and develop personally.

We look forward to hearing from you. Get in touch easily with a "short application". Of course, you can also submit your application documents using our online application form.

We look forward to receiving your application documents via our homepage.
