

Carpenter (m/w/d) 80-100%

Gossau SG, Switzerland

As a leading company in the timber industry and in timber and silo construction, Blumer Lehmann uses the diverse potential of wood innovatively and in the sustainable value-added cycle. Our employees are committed to a wide range of customer projects at our headquarters in Gossau SG, at our locations in Switzerland, Germany and Luxembourg, as well as on assignments around the world.

Your tasks

- As a carpenter, you work both independently and as part of a team on varied and interesting carpentry work.
- You have the opportunity to apply and deepen your professional knowledge regionally, throughout Switzerland or, if you are interested, abroad, in new buildings and conversions, structural work, interior work and façade work.
- If desired, the workload can also be part-time.

Your skills and experience

You have completed your carpentry apprenticeship and perhaps already have some work experience. Your personality is down-to-earth and honest and it is important to you to deliver accurate and clean work. You think on your feet, get stuck in and have fun and enjoy working on our innovative projects.

Our offer

We work with state-of-the-art tools, machines and equipment and are always up to date with the latest technology. In our assembly teams, there is a respectful working atmosphere, an appreciative basic attitude and humour must not be missing in any case. We encourage further development and would like to see you actively thinking along with us.

We look forward to receiving your application documents via our online application form.
